PROVIDING FOR PROVEN POSITIVE YOUTH DEVELOPMENT

Promote a future of protection, productivity, & possibility for all Pennsylvanians!

PRISON POPULATION GROWTH

— *Pennsylvania's Current State Prison Population and Projected Growth at Current Rates* —

IT'S TIME FOR CHANGE!

Future crime and prison growth can be averted by investing in proven prevention that helps youth develop into healthy, productive, responsible citizens.

Pennsylvania's prison population surpassed its available prison cells in 2005 with an inmate population of approximately **43,000**.

AND

After spending more than \$800 Million on prison construction to add more than **7,500** new prison beds, we will still be nearly **5,000** inmates above capacity within 3 years.
