PA Training Workshops: The EPISCenter works to connect sites who are interested in hosting training workshops in PA to reduce costs. Please contact the EPISCenter at 814-863-2568 to see if there is an already scheduled training workshop being hosted in PA that would fit your needs.

On-Site Training: The 2-day on-site training cost is \$2,100 plus Trainer travel expenses. In addition to these fees is the purchase of the Teacher's Manual, Student Workbooks, and TND Game Board. These curricula should be purchased prior to your scheduled training.

*Please contact Project TND Program Manager Leah Meza for additional training information and/or the EPISCenter's Project TND Implementation Specialist (814-863-2568).
